**Public Comments:**

**Larry Crespo** of **Wildlife Solutions** said, I provided a proposal for you guys to look at. I provide animal control for a lot of the townships around. Basically I catch skunks, racoons, bats . . .all that kind of stuff for people who call and need that service. A few years into my business, a police officer called me about catching dogs for their township. I looked into it and we could do it. . we didn't need any special permits. . .so we started doing it for several townships. When we get calls, we respond. Basically people call the police, they dispatch us and we try to find it's owner and if we can't find it's owner, we take it to the Humane Society and they wait 48 hours for the owner to claim it and if that doesn't happen, they put it up for adoption. **Solicitor Barbin** said, the Humane Society at the current time doesn't charge anything to have the animals dropped off. **Crespo** said, that is correct but it could change in the future. They work really well with me. We currently work with Richland, Upper Yoder, Lower Yoder, Stoneycreek, Conemaugh Township in Somerset County and Conemaugh Township in Cambria County.

**Announcements:** **Chairman Baker** announced, The Board of Supervisors next scheduled meeting will be held on Thursday, March 30, 2017 at 6:00 pm at the Jackson Township Municipal Building. The Jackson Township Supervisors will hold their 11th Annual Easter Egg Hunt at Mitchell Park on Saturday, April 8, 2017 at 12:00 noon.

**Adjournment:** **Motion** Wallet, second Dreikorn to adjourn the meeting at 7:35 am. Vote-3 yes.
