Public Comments:

Clair Michaels said, you guys are doing a pretty good job plowing the roads. You don't have a lot of snow but you still got enough there. **Chairman Baker** said, it's enough that it's a Nuisance that you got to go out and do it. **Michaels** said, it's enough of a Nuisance that you can't get up the hills because there could be ice. You are doing a good job is all I'm saying. **Baker** replied, we're trying. We had every weekend with snow for a long stretch. We used more salt and stone the last six weeks than we did the first six weeks. If you get a two inch snow you have to go out. **Supervisor Wallet** said, the streets were real ugly there this morning. . it was so sloppy and light. **Michaels** said, it was so cold this morning, it was surprising. **Baker** said, it's still only 22 degrees out. **Wallet** said, we've found out a lot of times you haven't got as much snow as Fords Corner. **Baker** said, sometimes when you go down and turn at Pintail, the roads are bare.
