Public Comments Concerning Agenda Items:

Chairman Baker said, first off tonight we have here what we consider to be two of Cambria County's finest. . Jackson Township Police Officers, **Phil Vaught** and **Charlie Nagle**. **Officer Vaught** said, the reason we're here is we're going to present Officer Nagle with an award. On March 4th of this year we were dispatched to a cardiac arrest. . . the paramedics were called, however we usually respond. Officer Nagle responded within 3 minutes. Upon arriving and quick thinking enough to grab our AED (Automated External Defibrillator) Unit out of the vehicle, he took it inside the residence where he found the patient unconscious in the kitchen and he hooked up the AED according to the instructions on it and performed CPR, ultimately saving her life and today we want to present this award to honor that professionalism and quick thinking. **Chairman Baker** said, good Charlie! There's a good example of money well spent on having the AED's in the vehicles.
