Public Comments:

Suzette Shay said, this is **Martin Sebetich** President of the **Nanty Glo Tri-Area Museum & Historical Society** and I'm the Treasurer. We're here to give you an update on the Museum. We need a new roof this summer and I am currently looking at grants. We also need windows and doors and heating and air conditioning. Those are the 3 major projects that I'm looking into grants for. When this is done, we hope to open our doors. We have amazing things to show people including displays on mining and steel and even a mine shaft. We're looking for community support from the 3 areas making up the Tri-Area Museum.
