**Public Comments:**

**Corporal John Matchik** said, I would like to introduce myself. I'm from the Pennsylvania State Police here in Ebensburg. I just started here about 3 days ago and you'll see me around here once in awhile, doing our part and trying to do whatever we can to support the municipalities. **Chairman Baker** replied, thank you. . we appreciate it. Our Officer-In-Charge is Phil Vaught. . he does a good job. **Matchik** replied, I look forward to working with him.

**Tom Beyer** said, my comment is about the Game lands, that human waste on there. . what's your take on that. **Chairman Baker** said, we approved that because the DEP approved it. **Beyer** said, would you want that in your yard? **Baker** said, DEP approved it. . it didn't matter whether we said yes or no. **Beyer** said, Vintondale was trying to fight it. **Vice-Chairman Wallet** asked, Did you talk to anybody? **Baker** said, The presentation that was given to us showed that there were no harmful effects. **Wallet** said, we'll get you hooked up to some people to talk to about that and whatever you find out, share it with us. **Baker** said, we have their contact information and business cards. **Wallet** said, it's not liquid sludge per say. **Beyer** said, I have another question about the construction going on by Pike Road. They're getting a lot of mud on the road. **Baker** said, we're aware of it. We'll take care of it. **Beyer** said, do you use your paver? **Baker** said, when we pave, yes. . when we "scratch", no. **Beyer** asked, are you going to be doing any paving? **Baker** said, some but right now we're just trying to catch up with scratching.

**Ed Westrick** said, thanks a lot you guys for a very successful Fishing Derby. We had 200 kids and the first kid caught his limit in 15 minutes. There were lots of prizes for everybody. Thank you. **Vice-Chairman Wallet** said, hopefully next year, we'll have our pond. **Supervisor Eric Dreikorn** said, don't forget, Denny Palko with Trout Unlimited from Nanty Glo was here one time and said they get so much trout to put in the stream and he would like to put half in the stream and half in our new pond. **Westrick** said, they're in the process now of getting a nursery put in so they can raise their own. I think the Fish Commission made the third survey of it.
