Public Comments:

Nancy Cronauer said, we residents of Old Nanty Glo Road would like to have some work done on our street. It's been kind of let go. I took pictures of the fire hydrant and mailboxes. . it's been kind of forgotten about.

Vice-Chairman Wallet said, I was down there yesterday and we're going to work our way down there.

Chairman Baker said, we've just been overwhelmed with wash-outs.

David Tucker said, I live at 124 Adams Avenue and I was here last month. We have some other issues now on the main water line to the house . . .it broke and I had to repair it. I should not have to pay. I called Merlo and complained about it and told them they had equipment and supplies on my property and they are still denying they did anything to my property. **Vice-Chairman Wallet** asked, did you address this with CPV at all? **Tucker** said, he called the other day and I told him the same thing and he said he would see what they could do talking

to Merlo. Have you guys been having any leeway with the issues we've been having? **Wallet** replied, yes. It's our understanding talking to them that they are going to address each and every issue independently and take care of it.

Lisa Crynock said I live at 148 Gillen Lane and am just basically following up to see if you have been in touch with CPV regarding the residents who signed the petition. **Vice-Chairman Wallet** replied, multiple times. . . daily. **Crynock** asked, is there any progress? **Wallet** said I seen at Brian Alexanders they are fixing his pipe issue and Mary Frye had some issues and I know they're addressing Dave Tuckers and they're going down the list. I know Jeff Ahrens said he was calling you. **Crynock** said, I talked with him yesterday. **Wallet** asked, would you be open to a meeting with you and CPV?. . .face to face? **Crynock** said, if it was a good time. **Chairman Baker** said, I think that's the only solution. **Crynock** said, yes but with you guys present. I already missed a few days due to flooding in my basement. It might have to be in off hours but I'm definitely willing to do that and get this taken care of. **Wallet** said, so if we reach out to them Lisa, I'll reach out to Jeff and tell him what we discussed here and see if we can set up a time where you guys can meet face to face. If he wants to do it here and we can work with our schedule, we can coordinate something. **Crynock** said, I would appreciate it very much. . thank you.
