Public Comments:

Artl Lorditch said, we got a speeding problem on Wagner Road. At night when the bar lets out at the golf course, they come around the curve and put the gas pedal to the floor. If you're mowing, people won't even slow down or move over. We need police down there so the word gets out that the road is being watched. The speeding occurs mostly afternoon to evening or midnight when they leave that bar. **Chairman Baker** said, we'll get our Officer-In-Charge on it. he'll take care of it. **Lorditch** said, If the word gets out that the police are watching, I'm sure they'll slow down. **Vice-Chairman Wallet** said, I think there's some places down there where we can paint some lines too. If they see painted lines, it's going to get their attention. We also have a

radar speed sign too but it needs sunlight because it's solar charged. **Baker** said, we have a speeding problem on every street.
