**Public Comments:**

**Bob Albright** said, we got a problem down there at the end of Old Nanty Glo Road. All the traffic coming down that road turns in my driveway on the culvert side. It's coming winter now and I planted grass on the other side, they come in my driveway and smash the snow down there. You're gonna have to come up with some kind of solution. **Chairman Baker** asked, are you talking about the pipe on the right side? **Albright** responded, yes. I've replaced it 3 times since I've been there and all the traffic coming down that road turns in my driveway. **Baker** said, ok, we'll look into it.

**Clair Michaels** said, at least you did a pretty good job mowing on our road. **Chairman Baker** said, we did a lot this year. **Michaels** said, it may need mowed again. . .we got a lot of rain.

**Ed Westrick** asked, is there any update on the fishing pond? **Chairman Baker** replied, we're trying Ed. **Supervisor Wallet** said, we're creeping closer to getting the permits submitted. **Westrick** said, it would be nice to get it built this year.

**Bob Albright** said, there's one other problem down there. . .that Abrams property and different properties here in the Township with grown up weeds. That Abrams property hasn't been touched for two or three years now. I thought we had an Ordinance on weeds growing in the Township. **Chairman Baker** asked, who holds the title or deed to the property? **Albright** said, I have no idea. Somebody ought to be payin the taxes on it. **Baker** asked, are you filing a formal complaint about the weeds there? **Albright** said, whatever it takes. **Baker** said, we'll see who owns it and send them a letter. **Manager Hirko** said, I think it may be in the hands of a mortgage company but some of the out-of-state companies are very difficult to contact. **Albright** said, same thing with the tobacco shop with weeds. **Supervisor Westrick** said, I was told those people are in Virginia and they're very difficult to reach. **Albright** said, you have these ordinances, you should enforce them. **Clair Michaels** said, if people minded their own business, we'd be further ahead and keep your nose out of somebody's business, you're better off. **Baker** said, we'll look into the Abrams property.

**Announcements:**

**Chairman Bruce Baker** announced, The Board of Supervisors next meetings will be held on Thursday, September 12, 2013 at 8:00 am and Thursday, September 26, 2013 at 7:00 pm at the Jackson Township Municipal Building.

**Adjournment:**

**Motion** Westrick, second Wallet to adjourn the meeting at 7:12. Vote-3 yes.

Respectfully submitted,

David M. Hirko, Secretary
