Public Comments:

Tom Beyer said, I seen in the paper you're changing the ordinance. . that will be the 3rd time this year.

Chairman Baker replied, you address things as they come up. **Supervisor Wallet** said, it's a living document and sometimes you got to make some changes and we do and the only way we can do it is public advertise and go through the process. That's the law. **Supervisor Dreikorn** said, you have to have things in place for someone to look at or even consider the township for development.

George Burkey said, the Johnstown Redevelopment Authority raised their prices for the sewage treatment. Before they had three tiers and we were supposed to be in the \$15 to \$17 dollar range and now it's \$24. It goes in effect in January. Now there's only two tiers. **Supervisor Wallet** said, they're doing another upgrade to Dornick Point. They're adding another building and some other features but the problem there is they are land locked.

Announcements:

Chairman Bruce Baker announced, The Board of Supervisors next meetings will be held on Thursday, December 11, 2014 at 8:00 am and Thursday, December 18, 2014 at 7:00 pm at the Jackson Township Municipal Building.
