Public Comments:

Tom Beyer said, I have a question on the new Obstruction Ordinance. What was the reason for that? **Chairman Baker** answered, the proposed obstruction ordinance would address those who create hazardous obstructions or conditions on streets and roads.

George Burkey said, I don't know who cut the trees down there on Leidy Lane around that sharp curve but I'm sure glad they're gone. The lady who had them before wouldn't let us cut them and when the bus came thru there it had to go in the other lane to avoid the tree. **Chairman Baker** said, the tree itself wasn't on the right-of-way as it's real narrow there. We trim the limbs so the trucks don't hit them.
