**Public Comments:**

**Dick McDowell** said, the tower over on Ellenberger's property. . is there some reason there's no FAA warning lights on that? **Chairman Baker** replied, Dave has a call into them. . I don't think they responded yet.

**Manager Hirko** said, they were supposed to send a work crew out, but I can do another follow-up. **Solicitor Barbin** said, you mean the lights were there but they're not working. **McDowell** said, they had lights on it for awhile. They were slow to get lights on it after the tower was up but then they did get lights on it and they were on regular for awhile, but they haven't been on for weeks now. **Vice-Chairman Wallet** asked, whose tower is that. . is it Verizon? **Hirko** answered, it's a different name. I'm not sure what telecommunication companies are on there but I have the owner of the tower's name to contact. I'll give them another call.

**McDowell** said, apparently they don't have everything hooked up yet because there's wires sticking out of the ground by the pole where the power comes in.
