

## ***Mitchell Park***

### **Jackson Township, Cambria County**

Notes from Meeting held March 14, 2007, 2:00 pm at the Park. Present were Bruce Baker, Township Supervisor; Dave Hirko, Township Manager; Karl Smith, Recreation Board Chairman; Al Slippy, former Recreation Board Member.

1. Develop pavilions in the wooded area behind the fenced sport courts.
  - a. Include three large pavilions approximately 40' X60'.
  - b. Cement floor, electric, water, charcoal grills
  - c. Limited vehicle access on aggregate roadway with ADA parking only
  - d. Keep the pavilions sufficiently separated to provide some privacy
  - e. Create a view of the ballfields from at least one of them
2. Install a 24kv electric transformer near the pavilion area
3. Add a small pavilion (20'x24') opposite the existing one near the concession stand
4. Include electric and water to the new pavilion and add to the existing one
5. Install restrooms with flush toilets in a location for use by the entire park. Cut block construction. Probably 3 stalls each side. Sanitary sewer will be provided
6. Add four sets of bleachers for the ballfields
7. Expand the parking lot to the southwest
8. Playground
  - a. Create a new 5-12 year-old play area west of the existing.
  - b. Move the existing swings to the new area
  - c. Add 2-5 year old equipment in the spot left by removal of the swings
9. Install ballfield lighting on the westerly field – estimate provided
10. Add parking lot lighting
11. Design future parking around new pavilions
12. Develop a perimeter trail around the park
13. Plan for landscaping around the parking/pavilion/concession area
14. Horseshoe and volleyball courts in the pavilion area

The Township will provide in-kind services by extending the sewer line. They will also do the clearing and grubbing for roads, trails, and pavilions. Township zoning ordinance is on their website at [www.jacksontwppa.com](http://www.jacksontwppa.com).
