

RESOLUTION

#5

WHEREAS: The Jackson Township Board Of Supervisors have agreed that the use of a Vascar Speed Checking Device would be a deterrent to speeders in the township.

NOW THEREFORE BE IT RESOLVED:

(1). A Vascar Speed Checking Device be purchased and installed in the police cruiser.

(2). Chief Robert Fatula and patrolman Wilfred Porter be authorized to attend the required training school to qualify for certification to use the Vascar Speed Device as approved by the Pennsylvania Department Of Transportation for local police departments.
