

JACKSON TOWNSHIP PLANNING COMMISSION  
MEETING MINUTES  
SEPTEMBER 2014

Chairman Paul Wyrwas called the meeting to order at 6:30. Members present were Bruce, Paul and Don. Absent were Al and Laird. There was no public comment and no meeting minutes were available for review. The proposed subdivision of Whorl to Siska was reviewed and rejected for being incomplete for the following reasons. The non-building waiver was not provided and the county planning commission had not reviewed the plan, although not need for the planning commission, it would be for the Supervisors meeting. There was also some confusion over the lot numbers. There were lots 1 & 2 as well as a tracts 1 & 2. Bruce is to contact Jerry Thomas surveying about the deficiencies. Motion to reject Don, 2<sup>nd</sup> by Paul, all in favor. The subdivision of Rudolph to Brown was reviewed and approved. Motion Don, 2<sup>nd</sup> Bruce, all in favor. Being no other business, a motion to adjourn was made at 6:52 pm by Paul and 2<sup>nd</sup> Don, all in favor.

Respectively submitted,
