Old Business:

All members present agreed to remove and put-away all Christmas lighting and decorations at Veterans Park on Saturday February 19th. The electrical power was already shut off by Brett.

Easter Egg hunt will now be held on Saturday, April 23 at noon. It was originally scheduled for April 16th and cancelled due to inclement weather. All members are urged to help out with the setup slated to start at 10am at Mitchell Park.

New Business:

Denny Grove will approach the Snowmobile Club and ask if they would like to open their concession stand for warmth and hot chocolate during the Easter Egg hunt. Denny is also going to bring up with the Snowmobile Club the idea of possibly running the event as a joint effort with the township.

Park Updates:

Al Boring informed the committee he forwarded the final “rough” draft of the pavilion reservation policy to the township supervisors and Dave Hirko. Al received answers to some of the questions presented and incorporated those changes in the policy. We are now waiting for the township supervisors to approve the policy. Once the approval is made, a schedule will be constructed and forwarded to all pavilion subcommittee members.

Marty Bezek suggested the pavilions be identified properly with a pavilion number or some sort of name so the parties renting know what pavilion their renting. Marty also offered to obtain plexiglass sleeves to use.
